Solutions**

0800 DIAL PLAN

The DialPlan Advantage

- Managed, monitored, and intuitive
- No software to install - Just manage it from your computer or tablet web browser
- Panic alarms to raise assistance alerts
- Scheduled/periodic announcements/alerts
- Public address
- Audible and visual alert options
- Create zones to target specific areas
- Automatically updates for daylight saving
- NZ support
- Can integrate with our phone solution

School Specific Benefits

- School bell solution with easy scheduling
- No-limit bell schedules with different sound options for different streams
- Upload your own bell sounds & music
- Easy parent teacher interview bell scheduling
- Efficient holiday mode scheduling
- Lockdown solution that automatically disables regular bell scheduling
- Lockdown can be triggered remotely i.e. from the principal's mobile
- Can integrate with some fire alarm systems for lower installation and running costs
- N4L firewalls are already pre-configured

Bell, PA, Panic & Lockdown Solution
